We are planning an exciting afternoon luncheon full of fun and entertainment. In order for this luncheon to be successful, we need your attendance. We don't just need you to come and eat (although we do encourage you to eat your fill), we need you to participate in our TALENT SHOW. We all know what skilled martial artists we share our Dojang with; here's your opportunity to share your hidden talents with your KMAC Family. This year special championship rings will be awarded to honor some of our distinguished students for both children and adults. Also a prestigious international black belt certificate will be presented to those who are in full recognition of such an honor.

Tickets and sign-ups for the talent show are available with Master Mar, Brandon Mauricio and GM Jung
